Click here to reset your password. You will be required to enter your email address and follow the prompts in that email.
NOTE: your email must be entered in all lower case

Resetting your password

For Security purposes, SREC; ASR and Yardstick do not keep passwords on file. This is your responsibility to reset this to something you will remember. You will need this username and password combination on examination day as well.

To reset your password, simply click the '[forgot your password](#)' link and enter your email address. This is a case sensitive combination, please ensure to enter your email address in all lower-case format.

Assessments page

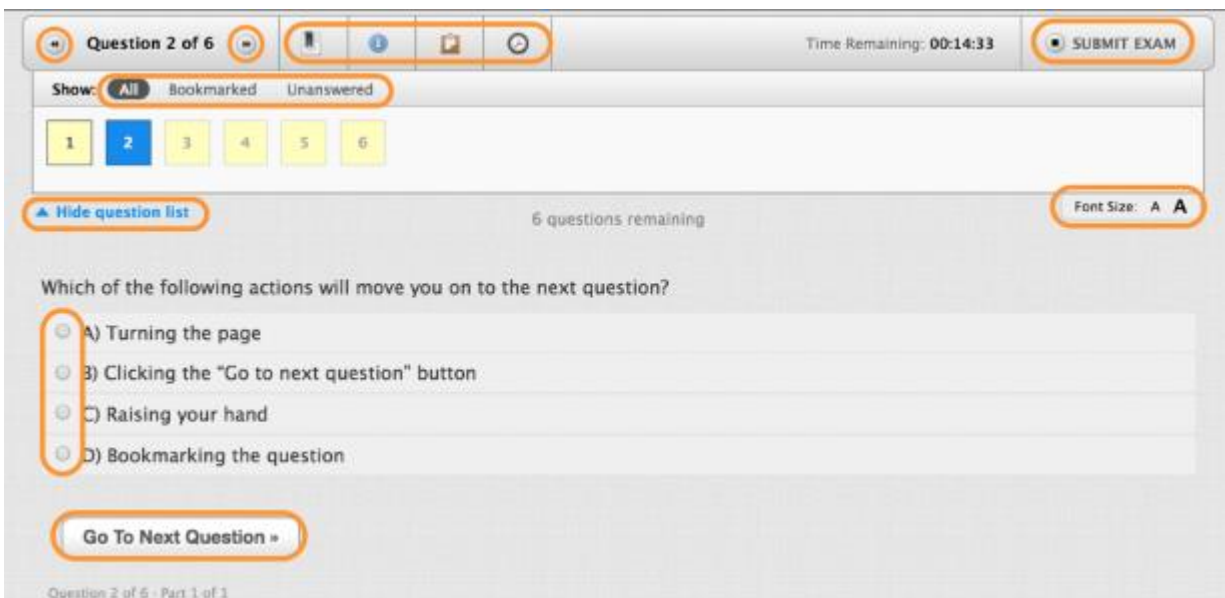

Upon logging in, you will be directed to the main assessments page.

Platform Tutorial

Here you will have access to a brief platform tutorial which you can take at any time and as many times as you wish. This assessment is available for candidates to gain familiarity with the assessment platform. It is highly recommended that you take this tutorial prior to examination day for preparation.

Software features

Below is a summary of all the features that the software offers.

- There are 2 methods to toggle to the next question (question arrows and 'Go To Next Question')
- You can bookmark questions, access reference materials (only if required for the exam)
- The clipboard icon is an online 'scrap paper' feature where you can enter notes by question. The information entered here is saved by question
- The clock icon will hide and reveal the countdown timer
- You can increase and decrease font size for your convenience
