

- Examination booking requests must be submitted a minimum of 10 business days prior to your desired examination date.
- Successful completion of an accreditation exam does not guarantee access to Government of Alberta Registry Services systems. Your place of business must have an agreement with Service Alberta for access to the Corporate Registry or Personal Property Information systems.

Click here <http://servicealberta.ca/1005.cfm> to view additional information regarding eligibility to Corporate Registry or Personal Property Information systems.

- To ensure your documents and other correspondence are sent to the correct email or mailing address, please update your profile.
- The HELP tab on the site will have details on the exam processes. Please take the time to browse the information provided there.
